                </tr>
            </table>
        </form>
        <hr>

       </center>

    </body>
</html>
```

Description of the Interface

- The screen contains:
  - **Login Section**
    - Username field
    - Password field
    - Submit & Reset buttons
  - **Registration Section**
    - Name input
    - Date of Birth
    - Email field
    - Password & Confirm Password
    - Submit & Reset buttons
- Background image used for visual appeal (mountain sunset theme)
- Sections separated using horizontal lines

Design Features

- Background image enhances UI appearance
- Simple and clean layout
- Clearly labeled input fields
- Buttons for user interaction
- Organized sections (Login / New Registration)

Working of the Form

- User enters login details or registers new account
- JavaScript validates:
    - Email format
    - Password matching
    - Required fields
- Error messages are displayed if input is invalid
